Accurate pricing

The ORA 280 comes loaded with all the Royal Mail UK inland and international postal rates, giving you the exact price for all its services. The integrated 2kg digital weigh platform accurately sets the machine to the correct value so there's no risk of over or under-stamping. Calculating the correct postage is easy with our on-screen Rate Wizard.

Easy to use

Shortcut keys give quick and easy access to frequently used settings. The ORA 280 also comes with an easy-to-install, high speed LAN connection for quick and easy software downloads and rate change updates.

Manage your mail on-line

myneopost is an on-line service which allows you to analyse your postage expenditure, order supplies and service.

Make your mark in style

With the ORA 280, you'll enjoy a more professional image and free advertising. You can easily customise your mail message to include your company name, special greetings or marketing slogans.

Postage savings

The Royal Mail offer discounts to franking machine users compared to stamps.

Give yourself a little credit

With a neoFunds account you can download postage when you need it and pay in arrears. No more estimating the amount of money you need at the start of the month, only to run out unexpectedly. neoFunds improves your company's cash flow and increases efficiency.

Maintenance cover

A valid maintenance service contract on your franking machines is a prerequisite of ensuring you are able to retain your Royal Mail license to frank letters. The Mailing Room are a Royal Mail authorised maintainer and repairer for franking machines to ensure you have zero downtime for your postal system through our experienced trained technicians.
